

Together We
Welcome

— 2022 —

"Even youths grow tired and weary, and young men stumble and fall; but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint" - Isaiah 40:30-31

Jubilee Campaign wishes you and your loved ones a celebratory New Years' Day, and we wish for you to enter 2022 with renewed vigor, a steadfast love for the Lord, and a sympathetic heart for the struggles faced by our brothers and sisters in Christ who are suffering persecution for their faith in countries throughout the world.

All of us at Jubilee Campaign are ready and rearing to continue our advocacy for religious freedom in 2022, but we need your help! It is thanks to your generous financial contributions that we are able to continue our work - such as holding events at the United Nations, paying legal and court fees for prisoners of conscience, and resettling faith minorities who have escaped persecution. Thank you once again, and we are so privileged to have your endless support!

**Please see below a collage of some of our most memorable moments of
2021:**

An Afghan family safely evacuates to the United States and reunites

JUBILEE CAMPAIGN

2021 YEAR-END NEWSLETTER

A Year of Successes and Renewed Energy

2021 was full of transitions. In the human rights and religious freedom advocacy world, we became so accustomed to working remotely behind our computers hoping for a day we could reunite with our partners in person. IRF Summit 2021 saw our hopes materialized, as we convened with religious freedom activists from across the globe, heard stories from prisoners of conscience who survived persecution, and saw our efforts transcend national borders. Now, our fire has been rekindled, and we are more encouraged than ever to continue our advocacy in 2022. With numerous successes under our belt, such as the release of Pakistani Christian couple Shagufra Kausar and Shafqat Emmanuel after seven years on death row, or the resettlement of an Afghan family in the United States, we hope to further our work in the coming year. We thank you, our supporters, for finding room in your hearts and prayers for our movement to expand freedom of religion or belief for all.
